OUR CORE CONVICTIONS

1. The church ought to be the most creative place on the planet.
2. The church belongs in the middle of the marketplace.
3. God will bless our church in proportion to how we give to missions and care for the poor in our city.

National Community Church

WHO IS NCC?

We want

to be more known for what we're for than what we're against. We celebrate each person as invaluable and irreplaceable in the eyes of God. Like Jesus, we love people when they least expect it and least deserve it.

We strive

to be great at the great commandment, the great commission, and to make the name of Jesus famous in our generation. We don't go to church because we ARE the church.

We are

a lab where everything is an experiment. If the Kingdom of God had departments, we'd be R&D. There are ways of doing church that no one has thought of yet and we're more afraid of missing opportunities than making mistakes.

We believe

that no one can worship God like you or for you. We hope to become a part of the personal dream God has given you, and we invite you into the corporate dream God has given us.
