Sermon Overview

Prophecy is declaring what will happen in the future. You can prophesy fear. You can prophesy doubt. You can prophesy pain. Or, you can prophesy your praise! Whatever you don't turn into praise turns into pride. Whatever you don't turn into praise turns into pain. Worship is not just thanking God for what He has already done. By faith, worship is declaring what God can do, what God will do!
