Note to Leaders:

This weekend we were challenged to enter a reboot by looking at mercy and grace. These questions provide a framework to prompt or foster discussion. Don't feel you must use all or any of these questions and you don't have to make it to the end! Use the questions that best fit your group and let discussion flow. You can also use these questions on your own to dive deeper into this week's sermon.

Sermon Series Questions:

1. What did God reveal to you?
2. What are you going to do about it?
3. What is one element of God's character you learned?

Sermon Specific Questions:

1. Rebooting is restarting the operating system. In what ways do you need to reboot your system mentally, physically, and spiritually?
2. The way to reboot is by reestablishing the right routines. What specific routines do you need to put into place to get where you're hoping to go by the end of 2018?
3. Mercy is not getting what you deserve. Where do you need to pray for mercy in your life like David did in Psalm 51:1?
