Your best thought on your best day is at least 93 billion light-years short of how great and how good God really is!

Sermon Series Questions:

The Proverbs are meant to be read verse by verse and meditated upon, one line at a time — it's just the nature of the genre. - What questions do you have concerning this proverb?
- How does this proverb play out in your personal life or within the culture around us?
- Is there a Biblical story where you see this proverb in action?
