DC DREAM CENTER

The DC Dream Center is a place of peace, a center for reconciliation, and a space for dreams and dreamers to flourish. With the faithful support of community members and volunteers, need meets provision, families rehabilitate relationships, hope becomes habit and dreams become reality. The renovation of the Dream Center (Q Street & 28th Place SE) is underway but entirely dependent on permit processing within the DC government.

BE A FOUNDATION BUILDER!

The following opportunities convene at the Southeast White House at the corner of Pennsylvania Ave & 28th Place SE, adjacent to the Dream Center.

ENDING HOMELESSNESS IN DC

While we work toward ending homelessness in greater DC, we care for our homeless friends by sharing the love of Christ, building relationships and providing for basic needs. To that end, we'd love for you to join us for any or all of these ongoing efforts:

InService

Help us pass out brown bag lunches in the Union Station area—taking a moment to extend kindness, prayer, and a listening ear.

Homeless Challenge

For 72-hours we challenge you to walk a mile—or several—in their shoes. Partnering with the National Coalition for the Homeless, NCC teams experience homelessness on the streets of DC firsthand.

The Way Home Campaign

Working together with myriad other non-profit groups and churches, NCC is helping to end chronic homelessness in the District. We need your help improving our advocacy efforts!

The Living Room

Every Wednesday evening, you can join our homeless friends for a meal and Bible study—building relationships in the most basic of ways.

LOVE SPEAKS (HIV/AIDS)

HIV/AIDS is an epidemic in DC and we are fighting to end it. Through authentic relationships, we engage, educate and empower our community to stop the spread of HIV/AIDS in DC and care for those living with the disease. Events throughout the year range from participation in the Walk to End HIV and World AIDS Day to smaller community events that focus on education and testing. In addition, we provide ongoing volunteer support to organizations that work with people living with HIV, such as Joseph's House.

AGAINST SLAVERY & EXPLOITATION

Human trafficking is modern-day slavery and involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act—NCC ASE is focused on this issue locally. We partner with local care providers to combat trafficking through prayer, raising public awareness and hosting educational events.

FOSTER CARE & ADOPTION

Through DC127, NCC is committed to reversing the foster care wait list in DC. We need volunteers to support families in crisis and help parents build stability when they have nowhere else to turn. Volunteer host families provide a temporary safe haven for children in need.
