

WEEK EIGHT

Book of Daniel

CHAPTER 8

As a family, read Daniel 8. What does verse 25 tell us about who wins in the end?

Draw your version of the two animals from Daniel's vision. While you draw, talk about what they represent.

Challenge

Have one person write out a statement and seal it in an envelope. Have each person in the family take guesses and try to predict what is written in the envelope. At the end, open the envelope and see what was really written. Did anyone guess correctly?

The more we read scripture, the more amazed we should be at God's detailed predictions and how they come to be. History doesn't determine God's plans; God determines history to fulfill his plans (Psalm 33: 11).
