When Daniel prays, he names several attributes or characteristics of God. Read through Daniel's prayer (Verses 4-19) and try to list all the characteristics of God he prays.

P R A Y E R

Daniel set an amazing example of prayer in Daniel 9. He praised God, confessed sin, acknowledged all the good God had done, and asked for forgiveness. Verse 23 tells us God heard his prayer immediately. And guess what? God hears YOUR prayers too! As a family, write out a prayer below and set aside a special time every day this week to read it together.
