

LET THERE BE LIGHT

## Let There Be Light, **Week 3** December 15 & 16

**Speaker:** Heather Zempel

**Scripture:** John 1:4-5, John 9

### Sermon Overview

In the beginning, God said "Let there be light," and the light he created was so expansive and complex that we have barely scratched the surface of experiencing it and understanding it. Yet, it was the light yet to come, in the person of Jesus Christ, that would pierce the darkness once and for all. Christmas is a time when the gift of Jesus meets the grit of life and light can illuminate our way.
