Digging Deeper

Activity: Ted Talk

If you were to give your own 5 minute Ted Talk, what would you say? What ideas and passions do you have that you would want others to know about? **Share your Ted Talk with your group.**

Here are a few tips from Pastor Heather when writing a Ted Talk: 1) Focus on one idea and make it action oriented. 2) Use personal stories and trust the impact of creating similarity. 3) Craft a statement people will remember. What's your one challenge or line you would want remembered?

Mission Spotlight: Europe

Belgium (Brussels) – May/June 2019

Throughout Europe, the church has lost its reverence and relevance, and Chris has a passion to bring revival to the heart of the European Union through renovation and construction. If you want to join us to see how God is moving in Brussels, all you need is a heart to serve and a willingness to get a little dirty.

Leader: Lori Feliciano and Ramon Santiago (belgium@aoneeight.org)

Romania – June 2019

The first-time team will be serving the Open Door Foundation. Their goal is to give full assistance and protected shelter in emergency situations to survivors of human trafficking, and help transition them for reintegration into society. They also raise awareness of trafficking throughout the local community.

Challenge: Prayer & Confession

Repeated prayers and confessions form and shape our hearts over time, making them meaningful and significant. Each week, we will focus on a piece of the confession Pastor Dave led us through during Part 1.

May God bless us with anger at injustice, oppression, and exploitation of people, so that we may work for justice, freedom, and peace.

Pray this confession each day this week and reflect on the words or phrases that stand out to you. How is this prayer being answered in your own life?
