

Yes and Amen, **Week 1** March 23 & 24

Speaker: Dr. Mark Batterson
Scripture: 2 Corinthians 1:20

Sermon Overview

The faithfulness of God is always pursuing us from the past. The sovereignty of God is always bearing down on us from the future. We live in the gap between **SO FAR SO GOD**, and **THE BEST IS YET TO COME**. No matter how many promises God has made, they are "Yes" in Christ. But we have to add the "Amen!"

Sermon Series Questions:

1. Share about a "so far so God" moment from this week? How did He show up?
2. What miracle, dream, or God-sized vision are you praying for?

Sermon Specific Questions:

1. Describe a time when you experienced God's faithfulness in your life (a "so far, so God" moment).
2. What is God currently blessing you with in your life and how are you stepping into what He's doing?
3. How come it's sometime difficult or challenging to trust in the faithfulness of God's promises?
4. Pastor Mark shared "the way you steward your miracles is by believing for bigger miracles". What miracle are you praying for right now?
5. Who is someone that believes in you, sometimes more than you believe in yourself? Why is having that kind of mentor so critical to your faith?
