

Yes and Amen, **Week 4** April 13 & 14

Speaker: Dr. Mark Batterson

Scripture: 2 Cor. 8:5, 2 Cor. 8:7

Sermon Overview

It's all FROM God. It's all FOR God. This is where the radical generosity begins. Your generosity is someone else's miracle. And the more you give, the more joy you experience. You also discover this simple truth: you cannot out give God.

Sermon Series Questions:

1. Share about a "so far so God" moment from this week? How did He show up?
2. What miracle, dream, or God-sized vision are you praying for?

Sermon Specific Questions:

1. Growing up, what was your experience with or perception of the tithe?
2. What does it mean to have a God sized vision and how can you lean into that?
3. Generosity is the overflow of God's grace in our lives that impacts the lives of those around us. Where are you displaying generosity in your life?
4. What are your personal barriers to being more generous with your time, talent, treasure? What makes it difficult?
5. Of the four levels of giving, (giving spontaneously, consistently, proportionately, radically) what step do you need to make?
